

DANCE: Victoria Ruiz

Victoria is Dance Club President and Senior Dance Ensemble Assistant Artistic Director / Rehearsal Director. She has worked diligently all semester creating work, rehearsing work, scheduling rehearsals, curating the program order for both the Club and the Ensemble, and typing program notes until everything is perfected. Congratulations and thank you Vic for all your hard work.

THEATRE: Sumana Anand

Sumana is enrolled in the Advanced Theatre class, and recently performed as the lead role of Iris in the class' production of *Soundscapes*. At the same time, Sumana was playing the role of Grandma in the Pinkerton Players' production of *Addams Family*. Through both processes, Sumana was hard-working, a role-model to her classmates, and fully committed to each performance. Well done, Sumana!

MUSIC: Tiffany Heiser

Tiffany is a fantastic member of the PA Band. She plays clarinet during concert season and alto saxophone during marching season. Tiffany has become a valuable member of the jazz ensemble, and she recently stepped up and played lead alto at the April instrumental concert. She is also a member of the student run clarinet choir. Tiffany balances all of these musical responsibilities with her athletic commitments, including spring lacrosse. Congratulations Tiffany!
