Pinkerton - 7, Bishop Guertin - 6

It was a warm one Thursday afternoon as the undefeated Pinkerton Academy Boys Freshman Lacrosse team put their perfect record on the line with a rematch against familiar foe Bishop Guertin in a spirited back and forth affair. Pinkerton went into the game missing some of their regular personnel due to a liturgy of reasons but rallied behind the "next man up" mentality showing resilience and tenacity throughout the game. For the fourth game in a row it was Midfielder Phoenix Beaulieu that charged the Astros offense first, putting up the teams first two tallies on the afternoon. Then Attackman Jeffrey Gormandy got in on the action on a nice fast break transition goal from Jesse Sag to cap off the scoring in the first half as the Astros held a 3-1 lead at the break. It came down to defense in the 3rd quarter as the penalties began to pile up on both sides, and although the Astros methodical offense continued to produce Bishop Guertin continued to hang around as the team rang several off the post and continued to power on. Gormandy would add 2 more in the third and fellow Attackman Collin Fortini added his own tally late in the quarter. The Astros held a balanced 6-3 lead heading into the 4th, and had seen great defensive contributions from Ethan Douglas, Jake Morrow, Cam Carleton, Dononvan Cote, and Kaedon Cashman. Gormandy capped his monster afternoon off with his fourth goal in the 4th, and finished with 2 assists as well. Goaltender Cody Dumont was challenged quite a bit, and although he only recorded 4 saves, still saw a collective of 20 shots throughout the game standing tall when it counted most and making heads up pass interceptions all afternoon. The Astros got a little too comfortable in the 4th and saw a 7-3 lead disappear as BG strung together

some quick strikes. But, the team came together winning some key ground ball battles and fending off a two man down situation in the end to hold on for the 7-6 victory after a crucial faceoff win by Zack Baker and holding onto possession as time expired. The Astros mustered over 15 shots on the day, and also saw excellent passing from all. Keegan Blake (1A), Zack Baker (2A), and Jesse Sag (2A) all had helpers on the day, and contributed to the 15+ shots the boys in red generated throughout the game. The young squad improved to 6-0 on the year and will once again be tested next week when they hit the road as they take on the Bedford Bulldogs. Hats off again to the Bishop Guertin Cardinals for a great battle as always, and great effort to all those that stepped up big this afternoon for the Astros including Joe Phillips, Mo Mousa, Chaz Benyik, and Mason Castro. Team Record 6-0.
