The Long Red Line traveled up to Thetford Academy in Vermont for the 86th Annual New England Cross Country Championships on Saturday. The top six teams from five New England states lined up on the very slick starting line. Due to the torrential rain on Friday the five kilometer course had numerous quagmires and plenty of mud. Senior Luke Brennan ran a strong race finishing 21st in a time of 17:03. By placing in the top 25 Luke earned All New England honors. Senior Ethan Charles was 49 seconds back in 76th place. ## **Girls Cross Country:**

11/13/21

The Pinkerton Trailblazers competed at the New England Cross Country Championships in Thetford, Vermont on Saturday. The weather was beautiful, but due to Friday's heavy rain the course was very soggy on the field sections, and the mud made for treacherous conditions out on the trails. You could describe such conditions as a quagmire. So the times were much slower than one would expect at a race of this calibre.

Sophomore Izzy Groulx capped her tremendous season with a 21:22 (62nd overall), the 6th NH Division 1 girl. Fellow sophomore Tess Silva also closed out her excellent campaign in fine fashion in running a 21:48 (91st overall) and was the 12th NH Division 1 girl.

### **JV:**

JV Spirit had their State Competition this weekend against Bishop Guertin, Londonderry, Memorial, and Alvirne. While it was not the finish we had hoped for PAJV, they received 2nd place and Londonderry took 1st. We can not be more proud of the hard work and dedication this season especially with the many hurdles thrown their way.

## **Athletes of the Week:**

Jack Cameron  
Boys Cross Country  
Senior

Cameron has consistently been our third man all season long. The New England Championships were no different. He once again ran a solid race to be our third man. The strong performances put in by Jack has allowed the team to consistently place at the top. Third in the Division 1 race, fourth in the Meet of Champions, and 16th in the New Englands out of 29 teams.

Tess Silva  
Girls Cross Country  
Sophomore

Silva had a fantastic season despite a couple of setbacks. She's consistently either our first or second runner. She has a fantastic attitude and races with confidence, tenacity, and determination. Tess' phenomenal performance at Saturday's Meet of Champions, a 19 second PR, qualified her for the New England Championships Saturday in Vermont. She finished in the top 10 for Division 1 in both the D1 Championship and the Meet of Champions. At New England's, she ran strong despite the muddy conditions.
