Athletes of the Week:

Ava Bennett
Sophomore
Field Hockey

Sophomore defender, Ava Bennett. She is a pivotal part of the success of the field hockey team. She is the 'fly' on defensive corners and the 'insert' on offensive corners. She has taken a new role on the team as being a defender instead of a forward this season and she is thriving. Being in the backfield has not stopped her from impacting our offensive game - in the last game against Salem she scored one and assisted on the two other goals of the game.

Picasso Bates
Senior
Football

Bates broke a 20 year old school record with a 72-yard punt against Windham on Saturday.
