**“America the Beautiful”**

by Katharine Lee Bates  
(Please stand and join the choir in singing.)  
O beautiful for spacious skies  
For amber waves of grain  
For purple mountain majesties  
Above the fruited plain.

America, America, God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

O beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears.

America, America, God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.
